

# LABORATORY APPLIED BIOMECHANICS AND BIOMATERIALS

in collaboration with

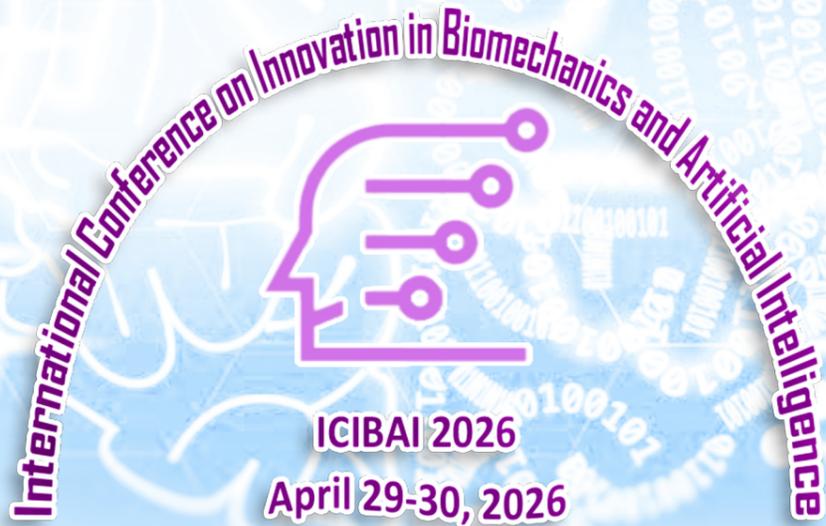

THE DEPARTMENT OF MECHANICAL ENGINEERING OF THE NATIONAL  
POLYTECHNIC SCHOOL OF ORAN - MA -  
ORGANIZE

Laboratory of Applied

Biomechanics  
&  
Biomaterials

**LABAB**

ICIBAI 2026

April 29-30, 2026

# ICIBAI 2026

## April 29-30th

### International Conference on Innovation in Biomechanics and Artificial Intelligence

### at The National Polytechnic School of Oran

#### TOPICS :

1. Biomechanical modelling
2. Imaging and 3D anatomy
3. Intelligent materials
4. Prosthetics and orthotics
5. Biomechanics and Sport
6. Additive manufacturing
7. Characterisation of biomaterials
8. Dental implants
9. Blood flow
10. Artificial intelligence
11. BioMEMS
12. Ergonomics and Design

Submission of the paper  
and the Participation Form : **15/02/2026**

Acceptance notification : **01/03/2026**

Final version of the papers : **15/03/2026**

Technical program  
of the seminar : **30/03/2026**

#### CONTACT

BP 1523 El M'Naouer 31000, Oran, Algeria
